

User profile fields

Versie 1

Gepubliceerd 09-aug-18 06:57 door [Paul Swaak](#) Laatst bijgewerkt 09-aug-18 06:57 door [Paul Swaak](#)

These fields were existing fields that were transferred when you upgraded to 6.0. Each one is a type of [User Profile Fields](#) . They can be deleted, as indicated by the trash icon next to each one. The fields that can't be deleted are [Built In Fields](#) .
