shorten links in invite mails

Versie 2

Gepubliceerd 04-nov-20 14:46 door [Paul Swaak](#) Laatst bijgewerkt 04-nov-20 14:47 door [Paul Swaak](#)

You can edit the mail template for this email to make this a short link. You can take the value that is currently listed, and add it as a hyper link. I have included an example of what this would look like below.
